# MARCH

## Birthdays

## PAC Meeting

Thank you to the parents who have teamed up with us to develop and nurture a culture of participation.

The next PAC Meeting is **Thursday, March 17@ 8:30am.**

## Cold Days

Yes, it's cold outside — and wet and icy. But no matter, **we play outside most days** and our students need to be warm and dry while they play.

Students are expected to wear coats, snow pants, boots and mittens during recess.

Parents, please ensure that your children are coming to school with this type of clothing.

Thank you.

## New student Registration

The second phase of registration is done. There are **only a few spots available.** We will begin calling new families on the wait list in March. God has blessed so much!

## Report Card Envelopes

Don't forget to return them to the office!

## Swimming

Please note, there will be **no school sponsored swimming lessons** this year. The recreation centre has added Covid restrictions that may restrict some families.

## Outstanding Bills

Parents, Thank you to those of you who have settled your accounts up to date. This is a gentle reminder: Please be sure to settle any outstanding fees for registration, logos, fleece jackets or 2022/2023 Re-Entry fees. Remember that the Re-Entry fee holds your child's spot, so...if you need to, please contact us to make financial arrangements. We are flexible.

## Covid Protocols

**Thank you so much** for keeping with our protocols!! We are almost over the hurdle where almost all our families are at 100% quality of health. We request that you keep up with: doing healthy checks and staying home when sick.

## PARENT SURVEY

**Have you filled out your Parent Survey Yet?**

Here is the link if you need it.

[https://www.surveymonkey.com/r/PleasantValley\\_Parent](https://www.surveymonkey.com/r/PleasantValley_Parent)

Do you prefer pen and paper? Let us know and we will send you a copy with an envelope to seal it in. We are hoping to have all surveys done by the end of February.

Thank you!!

## Butcher Boys & Co-op

Help raise funds for our school! If you shop @ Butcher Boys, save your receipts and put them in the bucket in the foyer. When we submit \$5,000 worth of receipts, they give us \$50 back.

Also, buying your gas at Co-op in Vernon, Armstrong and Salmon Arm funds us, too! Our Co-op number is: 84319.

### FACEBOOK PAGE ADMINISTRATOR NEEDED

Our Facebook Page Administrator is retiring from Facebook. Are you interested in maintaining the PVCA Facebook page as part of your volunteer hours? Please let Mrs. Fischer know and she will put you in contact with the present administrator.

## Triassic World

By Jonathan Spitzer

Last time, at Triassic World, Blue the Velociraptor found a scent that had led to, dun dun dun! The Indominus! "Rroooaar!" "Chomp!" What will happen next?.....

I jumped back in the nick of time, barely escaping the Indominus jaws. "Blue, are you okay?" asked my sister Delta.

"I'm fine." I managed when I got my breath back.

"At least it looks like a giant chicken," said Charlie, who had been craving some. "It's feathery and white like a chicken."

"Charlie, don't!" I began to yell, but it was too late. He had already hurled himself at the dino and was on top of it, nipping her ferociously.

The Indominus turned her big head and forced a loud growl that blasted my brother to the ground! It would have been the end of him, but Owen and his ACU troopers started protecting him. She got mad and scooped up some troopers.

"Man, I mean, *men* down!" shouted Owen.

Then the Indominus turned to me, my brother Charlie, and my sisters Delta and Echo, and said, "I am part raptor too. I am part of you. Look at all these people. They are trying to destroy your kind. Example: me. Turn against them or they will destroy you, too."

I had no choice. My instincts took control and... I unleashed my fear on a trooper.
