

School Accessibility Feedback Tool

Report an Accessibility Barrier or Support

At Pleasant Valley Christian Academy (PVCA), we want to learn about specific barriers or helpful supports that people encounter when they are trying to:

- Access a school program, building, or school information.
- Receive a service or support.

The PVCA School Accessibility Committee will review your feedback quarterly and will be used for the revision of future accessibility planning. If you need an accommodation for your student or if this is an urgent matter, please contact the school directly (phone: 250-545-7852 or email: admin@pleasantvalleychristian.com).

1. Please provide the date the barrier or support was experienced.
2. Please select the location the barrier or support was experienced.
3. What were you or someone you know trying to access?
4. Accessibility barrier or support details (be as specific as possible).
5. Do you have any recommendations for what would make it better?
6. Attach files if you wish to provide additional information (e.g., video, voice recording, photos)
7. Do you wish to be contacted about your responses? Yes No

If yes, please provide your name and email or phone number.

Email this response directly to the principal: admin@pleasantvalleychristian.com
Emails are checked daily. The Committee meets to discuss responses quarterly. (Typically August, November, February and May)

Thank you for providing your valuable feedback!
