Deer Lake School Mission Trip

Deer Lake School is one of our sister Seventh-day Adventist schools located in the Burnaby area. Over 100 students and some staff & volunteers from Deer Lake School will be working at PVCA on Wednesday, May 29 to Friday, May 31.

As part of their mission trip, they will be helping our school by doing some much needed TLC to our school. By the time they are ready to head home, we should have freshly washed windows; the playground area's pea gravel should have a facelift; there will be a new shade

be cemented into its permanent space; the beach volleyball area should be rototilled so that it can be used for its intended purpose, ... and more.

Some of the students and staff will also be giving the PVCA students their own gymnastics/band show and then giving gymnastics and band clinics for our students. So much will be happening! We are so blessed.

Some requests have been sent to you from the PAC. Please help where you can.

This is a huge event! We are all smiles, but also praying everything will go smoothly! And that we will be able to show our appreciation!!

Don't miss their program on May 29!

See flyer sent out May 16 via paper and email.

Science Centre Field Trip

Grades 2-3 will be heading to the Science Centre on Thursday, June 6. They will be leaving the school by 10:30 am. Parents will pick up their children at the Science Centre @ 2:00 pm.
