Meet Mrs. Waldron

Hello, I'm Mrs. Waldron! I've been blessed to teach our energetic 4th and 5th graders here at PVCA for the past four years. There's nothing quite like the curiosity and enthusiasm their age group brings to every day!

I have always felt that teaching is a beautiful way to share the love of Jesus, helping our kids grow not just academically, but in faith and character too. In my opinion, that's the most important part of education.

I am excited for the memories this year will bring and am eager to walk alongside the students, helping them grow and reach their highest potential.

Progress Report Envelopes

Please don't forget to return them to the office!

We reuse these for the next report cards.
